CLIMB27

“THE BEST BUSINESS EVENT THIS *YEAR* SO FAR”

JOHNNY J PAWLIK, CEO, MANTRA MEDIA LTD

Climb27 is the festival for business growth: two days for growing businesses, the people who back them and the firms that help them grow. Main stage moments, practical sessions, roundtables and workshops, an expo floor full of conversations, and the after parties. Everyone leaves with real advice, real connections and a clear next step.

- 30 June and 1 July 2027
- Founders, scaling companies, investors, advisers, universities and the public sector
- An expo floor at the heart of the festival, with the agenda bringing people past every stand
- Fringe events around the festival, for more time with the people you meet

“Throughout the day, I had inspiring conversations with so many people and innovative businesses. […] buzzing with energy, open, honest conversations, and laughter”

Madeleine France, Blossom Training and Development CIC

WHY EXHIBIT

BECAUSE WE ARE DIFFERENT

RELEVANT PEOPLE TO DO BUSINESS

Businesses that need what you do, and people who can open the next door. Everyone comes to grow, so conversations start easily.

FULL OF OPPORTUNITY

A steady flow of leads all day, from people who arrive ready to buy and leave with your card in their pocket.

PARTNERS WORTH HAVING

Meet the firms, universities and public bodies you can build something with, and start partnerships that last.

BUILT ON COLLABORATION

A community that shares ideas, swaps what works and sends each other work, long after the festival.

BUZZING WITH ENERGY
