CLIMB27

TWO DAYS OF BUSINESS WITH A *PARTY*

Climb27 is the Festival for Business Growth: two days for growing businesses, the people who back them and the firms that help them grow. Main stage moments, practical sessions, roundtables and workshops, an expo floor full of conversations, and the after parties. Everyone leaves with real advice, real connections and a clear next step.

30 June and 1 July 2027

Founders, scaling companies, investors looking for real deal flow, advisers, universities and the public sector

An expo floor at the heart of the festival, with the agenda bringing people past every stand

WHY EXHIBIT

YOUR STAND. A *BIGGER* STAGE.

FIND YOUR PEOPLE

The right people are the ones with a reason to talk to you: businesses that need what you do, and people who can open the next door. Everyone comes to grow, so conversations start easily.

SHOW WHAT YOU DO

Space to demonstrate, with screens, power and room for people to gather round.

PEOPLE COME TO YOU

The expo sits at the heart of the festival, so the agenda brings people past your stand all day.

CONVERSATIONS THAT GO SOMEWHERE

People arrive ready to buy, partner and plan what comes next, and leave with your card in their pocket.

GROW WITH THE COMMUNITY

A community that shares what works and sends each other work, long after the festival.
