CLIMB27

TWO DAYS OF BUSINESS WITH A *PARTY*

Climb27 is the Festival for Business Growth: two days for growing businesses, the people who back them and the firms that help them grow. Main stage moments, practical sessions, roundtables and workshops, an expo floor full of conversations, and the after parties. Everyone leaves with real advice, real connections and a clear next step.

30 June and 1 July 2027

Founders, scaling companies, investors looking for real deal flow, advisers, universities and the public sector
