The Festival for Business Growth

30 JUNE AND 1 JULY 2027

www.climb-uk.com

PUT YOUR BRAND AT THE HEART OF BUSINESS *GROWTH*

Climb27 is the festival for business growth: two days for growing businesses, the people who back them and the firms that help them grow. Main stage moments, practical sessions, roundtables and workshops, an expo floor full of conversations, and the after parties. Everyone leaves with real advice, real connections and a clear next step.

30 June and 1 July 2027

Founders, scaling companies, investors looking for real deal flow, advisers, universities and the public sector

An expo floor at the heart of the festival, with the agenda bringing people past every stand

“It doesn't feel like a conference. I am seeing loads of connections going on”

Mel Elyard, Innovate UK

WHY PARTNER

MEETINGS WITH THE *RIGHT* PEOPLE

01

THE RIGHT PEOPLE

Growing businesses, their founders, investors looking for real deal flow and the advisers around them, together for two days.

02

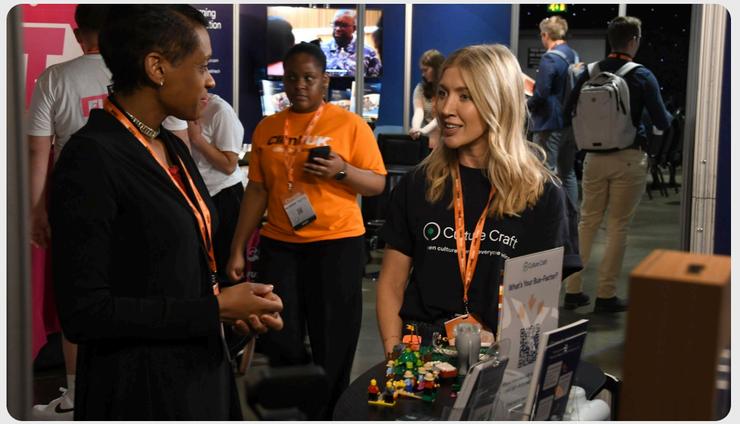
A PLACE IN THE FESTIVAL

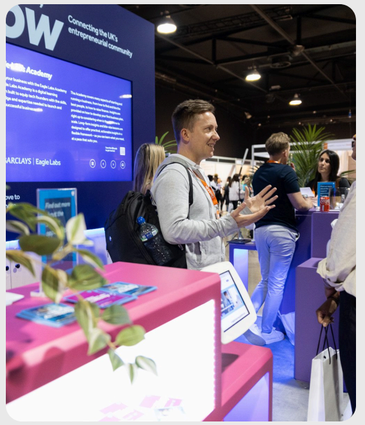
Own something people use and remember: the event app, the badges, a zone, the VIP space, a stage moment.

03

BUILT AROUND YOU

No fixed tiers. We build your partnership around what you want to achieve, then deliver it with you.





“You really do get out what you put in when it comes to Climb26.”

Rebecca Holden, Blacks Solicitors

HOW IT WORKS

BUILD YOUR PARTNERSHIP YOUR *WAY*

01

CHOOSE YOUR LEVEL

Your level sets the size of your presence. Partner gives you a place sized to your goals, built from the branding options. Headline Partner is an upgrade on top, with your name across the whole festival.

02

OWN A PART OF THE FESTIVAL

Pick the spaces and moments that carry your name: printed panels, your logo on the screens, a space in your branding or renamed after you. Each is an option you add to your package.

03

ADD MORE REACH

Features in our newsletter, read by 40,000+ people a month. Posts on our social channels and website, which reached 150,000+ page views in its peak month. Meetings with attendees and customers, with an 80% follow-through rate. Plus tickets, space and sessions.

04

BUILD IT TOGETHER

Your Partner Manager shapes the package with you and runs it with you, through to the festival.

05

SEE WHAT IT DID

After the festival you get your leads and an engagement report, then plan what comes next with your Partner Manager.

“This partnership is not simply about showcasing our capabilities; it is about engaging in meaningful dialogue, co-creating solutions, and strengthening the ecosystems that underpin long-term economic success.”

University of Huddersfield
